	8'36"	9000	900	7300	690
	8'42"	10500	1075	8500	820

*Weight shown is the approximate weight of the tub plus water. Use these figures as a guide only. If your tub is to be supported on a deck or other structure, it must be designed to carry the weight of the tub plus a margin of safety. Have a qualified inspector or builder confirm this before installing your tub.*
